Gospel Reflection

The Second Sunday in Ordinary Time

John 2:1-11

This week we are at a wedding in Cana where Jesus reveals Divine power by transforming water into wine. The Bible begins with one wedding, that of Adam and Eve in the garden, and ends with another, the marriage supper of the Lamb. At Cana, Jesus also blesses human marriage, perhaps at that moment instituting the Sacrament of Matrimony. Throughout the Bible, marriage is the symbol of

the covenant relationship between God and His chosen people. God is the faithful bridegroom, and humanity is His beloved bride. Let us pray for God's daily miracles in our families.

We see this theme beautifully presented in today's first reading, where Isaiah uses the metaphor of spousal love to describe God's love for Israel. God's fidelity to his people is compared to a husband's fidelity to his wife. Isaiah predicts God's salvation of Jerusalem after the return of the Babylonian exiles and visualizes it as a wedding between God and Jerusalem. Jesus' provision of abundant wine for the wedding feast in Cana signifies that the day foreseen by Isaiah has arrived. Anticipating the joy of this wedding, the psalmist urges us in the responsorial psalm, "Sing to the Lord a new song." In today's second reading, St. Paul reminds us that the new wine Jesus pours out for us is the gift of the Holy Spirit, given to His bride. In today's Gospel, John describes the first of the seven "signs" by which Jesus showed forth His Divinity. When the wine "ran short," Jesus' Mother told Jesus about it. At first Jesus seemed to refuse to do anything about it. But later he told the servants to fill six large stone jars with water and take some of the miraculous water-made-wine to the headwaiter. When they did so, the headwaiter expressed his surprise that such a great wine had been reserved for late use.

Let us, "invite Jesus and Mary to remain with us in our homes" when we feel shortages in our family lives. The spouses need Jesus and Mary when their dreams are gone, mutual love seems dried up, the relationship becomes boring, and raising the children becomes a burden draining all their energy. The awareness of the presence of Jesus and Mary in the family will encourage parents to create an atmosphere of prayer, Bible-reading, mutual love, and respect, with a spirit of forgiveness and sacrificial service at home. This change will refresh and renovate family life, removing its boredom.

Let us follow Mary's instruction, "*Do whatever He tells you.*" This is the only recorded command given by Mary in the New Testament, and it is a prerequisite for miracles in our families. The Bible tells us how to do the will of God and effect salvific changes in our daily lives.

Just as Jesus filled the empty water jars with wine, let us fill the empty hearts around us with love. By the miracle of Cana, Jesus challenges us also to enrich the empty lives of those around us with the new wine of love, mercy, concern, and care.

Let us learn to appreciate the miracles of God's providence in our lives. God, often as an uninvited guest in our families, works daily miracles in our lives by protecting us from physical and moral dangers, providing for our needs, inspiring us, and strengthening us with His Holy Spirit.

Let us also appreciate where God transforms our offering of bread and wine into the Body and Blood of Jesus.

Gospel Reflection by Fr. Anthony Kadavil, Chaplain, Sacred Heart Home, Mobile, AL. Brought to you by Penny Fleming, SFOA Communications

Bishop Frank J. Dewane, Bishop of the Diocese of Venice in Florida will confer the Sacrament of Confirmation to our high school youth at our parish on Saturday, January 18, 2025, at the 4:30pm Vigil Mass.

Congratulations 2nd year students! **Sofia Barreto, Elijah Bates, Olivia Cizmar, Jeremy Donhauser, Bladimir Galvan, Vallerie Kappelmann, Aaliyah Knotts, Nico Remmers, Michael Schack, Aiden Silva, Analina Silva, Sophia Siligato, Ava Trullinger, Lily Trullinger, Luke Trullinger, Sarah Trullinger.**

We have a two-year Confirmation program and at the end of Year 2 students receive the Sacrament of Confirmation. We are privileged to journey with the students & their families during this prep time, to encourage & support our youth to continue to grow, & strengthen them in their Catholic faith & spiritual lives. There are 3 sacraments of initiation: Baptism, Confirmation & Eucharist enable us to experience & grow in the full Christian life. For us, as Catholics, Confirmation is really the completion of Baptism. Most of us were baptized as infants. Our parents made the decision of Catholic faith for us. In Confirmation, these youth will affirm their “yes” to that decision of Catholic faith. “Yes” means we want to live our Catholic faith & want/need the Holy Spirit of the risen Lord to help us make Christ to be the center of our lives. Baptism & Confirmation, all the sacraments, prepare us for fullest loving union with Him in the Eucharist. The Eucharist completes all the sacraments. Participating in the holy sacrifice of the Mass, empowers us to grow in God’s Great Commandment: “You shall love the Lord your God with all your heart, soul & mind. This is the greatest & first commandment. And the second is like it: You shall love your neighbor as yourself.” (Matthew 22:36-40)

We encourage our parishioners to be ‘**prayer partners**’ for our youth receiving Confirmation. Pray for our youth & their families & see them be confirmed. Thank you for your willingness to participate as prayer partners in our parish family.

Dear Brothers and Sisters in Christ,

The Collection for the Church in Latin America provides the opportunity to show unity with our brothers and sisters in Central & South America, as well as the Caribbean Islands. For decades, this collection has helped meet the many challenges and needs of the Church and the faithful in Latin America.

Gifts to this collection provide grants to dioceses in Latin America, which help sustain important ministries such as evangelization, vocations and seminary training, marriage support, and the promotion of human life and dignity. In the capital of Venezuela, the Church is now equipped to become a leader in the fight against human trafficking. And in the Amazonian region of Peru, the love and sacraments of Christ are able to reach remote Indigenous villages.

Parishes throughout the Diocese of Venice will take up the annual Collection for the Church in Latin America during the weekend of January 18 & 19, 2025. Thank you for your kindness and generosity. Your donations to this collection support life, faith & hope to our brothers and sisters in Central & South America and the Caribbean.

I take this opportunity to extend to each of you my blessings in this New Year. Thank you and may God bless you and your family for your support of the Church in Latin America.

Sincerely yours in Christ,

+ Frank J. Dewane
Bishop of the Diocese of
Venice in Florida

We are reading chapter 8.

We are reading ***A Living Gospel* by Robert Ellsberg**

In a number of award-winning books, Robert Ellsberg has reflected on the lives of saints, prophets, and spiritual masters, drawing particular attention to models of holiness that speak to the needs of our time. The message of such figures, as he shows in this new book, is found not only in their writings but in the “text” they wrote with their lives. Among the particular figures he examines are Dorothy Day, Thomas Merton, Henri Nouwen, and Flannery O’Connor. He especially holds up the example of holy women, who charted their own path, and those who exemplify a “holiness of the everyday.” In learning how to read the “living gospel” in their stories, he shows how we may learn to read our own lives in the same light. <https://orbisbooks.com/products/a-living-gospel>

WHY REGISTER IN A PARISH?

A Catholic parish is the single most important part of our Catholic Church. This is where we continue the mission of Jesus Christ. This is where we publicly express our faith, joining together with others to give witness of our communion with God and with one another. There are many reasons to register.

- A sense of belonging and identity in a parish community.
- Provides the parish community with a way to welcome you.
- In times of joy and in times of struggle, it is comforting to have the support of a faith family.
- It is a commitment to practice your faith.
- Gives a chance for you and your family to be counted and heard in the parish.
- Being included in the demographics of the parish helps in the planning for the needs of the parish.
- Gives the parish a way to connect with you.
- To receive the Sacraments of Baptism, First Reconciliation, First Holy Communion, Confirmation, or Holy Matrimony you will need to be a registered member.
- For religious education instruction and Sacramental preparation, the families of those attending must also be registered parishioners.

Please call the parish if you have any questions. Stop by the parish office if you would like to talk more about the parish or pick up a paper registration packet. You can also register online via electronic application or print and complete on our parish website, www.sfoachurch.com on the Parish Forms webpage and return to the Parish Office.

WE APPRECIATE OUR ADVERTISERS!

"I CAN WALK BAREFOOT ON THE BEACH AGAIN"

Local acupuncture clinic is treating the untreatable, peripheral neuropathy with incredible results!

Pain comes in many shapes and sizes. One of the most debilitating being the burning and tingling that comes with peripheral neuropathy. A disease that comes with years of shooting, stabbing pain that gradually ends in numbness, balance problems, and on occasion, amputations. A disease that was once classified as irreparable.

David R. of Venice, FL was facing such a fate.

"I stopped golfing. I wasn't taking walks on the beach with my wife. I was living on gabapentin and antidepressants and everywhere I went; my doctor, the specialists, the pain institute, told me there was no cure. How are you supposed to live your life knowing that everyday brings pain and suffering?"

Peripheral neuropathy is a result of damage to the nerves, commonly caused by a lack of blood flow to the nerves in the hands and feet.

This causes the nerves to begin to degenerate due to lack of nutrient flow.

Most peripheral neuropathy sufferers experience a heightened sensitivity to touch making it almost impossible for those diagnosed to even wear shoes, much less enjoy life.

"It was like walking on sharp river rocks. I barely left my recliner," shares David, whose experience is not uncommon for those diagnosed with peripheral neuropathy.

That is until he found Lauren Milligan of Sage Point Acupuncture & Integrative Medicine. Dr. Milligan and her staff have pioneered a cutting edge, medical solution to treat neuropathy, eliminate or greatly reduce its symptoms and give people their lives back. Best of all, they're doing it without the use of prescription medications and invasive surgeries.

"Acupuncture is incredible at restoring blood flow and stimulating damaged

nerves, preventing them from dying off," tells Dr. Milligan. **"We take our treatments a step further by integrating ATP Resonance BioTherapy which targets specific nerves in the body using microcurrent. ATP therapy is like watering a plant. This treatment will stimulate the blood vessels to grow back around the peripheral nerves and provide them with the proper nutrients to heal and repair."**

Three months later David is thrilled with his progress, "I can walk barefoot on the beach again!"

Success stories like David's are not atypical for the staff at Sage Point AIM. **"We have a 87% success rate in treating neuropathy,"** shares Dr. Milligan.

The number of treatments needed to allow the nerves to fully recover will vary from person to person and can only be determined after a detailed

neurological and vascular evaluation. So long as you have not sustained more than 90% nerve damage Sage Point AIM offers hope where there once was none.

While David's peripheral neuropathy was idiopathic, meaning the cause is unknown, Dr. Milligan's treatments can also help people whose neuropathy is caused by diabetes or chemotherapy.

"We have seen tremendous success in treating neuropathy of all types through very personalized treatments, specifically tailored to treat each individual case."
